

BOB WEIS WILL BE HONORED WITH 2024 SKLAR CREATIVE VISIONARY AWARD

(Los Angeles) April 4, 2024 -- The 4th annual **Marty & Leah Sklar Creative Visionary Award** will be presented to Bob Weis, a philanthropist, creative leader, and longtime champion of Ryman Arts at the Celebration of the Arts.

The Sklar Creative Visionary Award is presented annually by Ryman Arts to an individual whose distinctive contribution to the creative community and whose leadership in the art world has made a significant impact. Bob Weis, whose impact on the community has been tremendous, truly exemplifies this award. Bob spent 35 years as an Imagineer, including 6 years as President, and a year as Imagineering Global Ambassador and currently leads Global Entertainment at Gensler.

During his time at Disney, Bob led more than 200 major projects around the world. From the U.S. to Shanghai, Tokyo to Paris, his design and innovation imprint has been indelibly left on theme parks, attractions and rides, resorts, and cruise ships. He has also consulted with major clients including Smithsonian, National Geographic, NASA, and the United States Navy, among others. In 2022, Weis took on the role of Global Imagineering Ambassador, following in the footsteps of one of his mentors, Disney Legend and former WDI president Marty Sklar and co-founder of Ryman Arts, who was the first to hold the ambassador title.

Bob Weis's connection to Ryman Arts stretches all the way back to meeting the legendary Herbert D. Ryman on the patio of WED (now Walt Disney Imagineering), to supporting the annual Ryman Arts fundraisers at co-founders Marty and Leah Sklar's home, to today. He has been a champion of Ryman Arts' diverse community of students for decades, creating and personally funding the Hani El-Masri award which recognizes an outstanding Ryman Arts student each year who is an immigrant to the United States, and which celebrates the life of the late Imagineer and artist Hani El-Masri. Bob spearheaded the preservation of the Marty Sklar Archives and has used his master storyteller skills to bring Herb Ryman's legacy to life.

"We can think of no other individual who encapsulates the lifelong dedication to inspiring others through leadership and who is actively paving a way for future generations to be creative visionaries for our community. Bob is the ideal person to receive the 4th annual Sklar Creative Visionary Award." – David A. Price, Ryman Arts Board President.

The Marty & Leah Sklar Creative Visionary Award is presented annually to an individual of singular creative vision and leadership who has made a distinctive contribution to the creative community: illuminating, inspiring, and expanding the impact, relevance and reach of the arts through their work and creative vision. Created in 2018, it is named for two visionaries who were co-founders of Ryman Arts. Leah Sklar has been active in community and educational initiatives throughout her life, including a key role in the development of Ryman Arts' mission and program. Marty Sklar was the legendary President of Walt Disney Imagineering, leading the creation of Disney theme parks around the world. Previous honorees of this award include Kevin Feige of Marvel Studios, Hayao Miyazaki of Studio Ghibli, and Academy Award-winning costume designer Ruth E. Carter.
