

# Ryman Arts College Preparation Weekend

## October 23-24, 2021

- This is an online event, do not come to campus
- All students must attend at least three sessions, or else get an absence for the weekend
- Choose any three (or more) sessions to attend, they do not have to be on your usual class day
- Family and friends are also welcomed to attend sessions! Spread the word

The schedule with Zoom links will be emailed to you. Some sessions require registering ahead of time in order to get the Zoom link. You can register for those as soon as you get the schedule. For the other sessions, that don't require pre-registration, just click the link for the session a few minutes before it's supposed to start.

The Zoom links are made and controlled by the schools making the presentations. Some may not allow you to join late or may keep you in a waiting room for a while if you're late. Ryman Arts staff won't be able to help you in those situations. Best to plan ahead and be early (that's always true for everything).

You can find full descriptions for each session on our website, at [rymanarts.org/students/college-career-resources](http://rymanarts.org/students/college-career-resources)
